

Fight Cancer by Honoring the Ones You Love at the Point Richmond Luminaria Ceremony.

Relay For Life offers an inspiring opportunity to honor cancer survivors, promote how individuals can reduce their cancer risk and raise money to help end cancer. With the support of thousands of volunteers, Relay For Life and the American Cancer Society is helping save more than 400 lives a day. Though Richmond does not have its own Relay For Life event; the Relay For Life of El Cerrito encompasses Richmond, the Richmond Annex, Marina Bay, and Point Richmond in its community event.

At the Point Richmond Luminaria Ceremony we remember loved ones lost to cancer, support people who currently have cancer, and honor people who fought cancer in the past. Join us for this powerful event which provides you and our entire community an opportunity to work through grief and find hope after cancer. You can dedicate a luminaria in honor, in memory, or in support at the luminaria booth at the Point Richmond event. Everyone is welcome!
